CHANGES YOU WILL SEE AT OUR SHOPPINGTOWN:

The two buildings near Gelson's and Macy's have closed in order to pave the way for the 'Makeover of the Century.' Additionally, through the redevelopment some sections of our parking garage will be closed, including the outdoor parking area of the Gelson's parking lot. Access to Gelson's will change slightly to facilitate this work. You may still use both entrances and exits off of Constellation Blvd. Another change you will notice is that the bus stop on Constellation Blvd. has moved closer to Century Park West, in front of the Houlihan, Lokey, Howard & Zukin building. Also, a part of the sidewalk on the north side of Constellation Blvd. is closed. The sidewalk has closed so that a new entrance to the parking garage may be constructed to Level A. For your convenience, please reference the map on the back. Directional signage is in place in all locations to ensure your shopping trip remains comfortable and convenient.

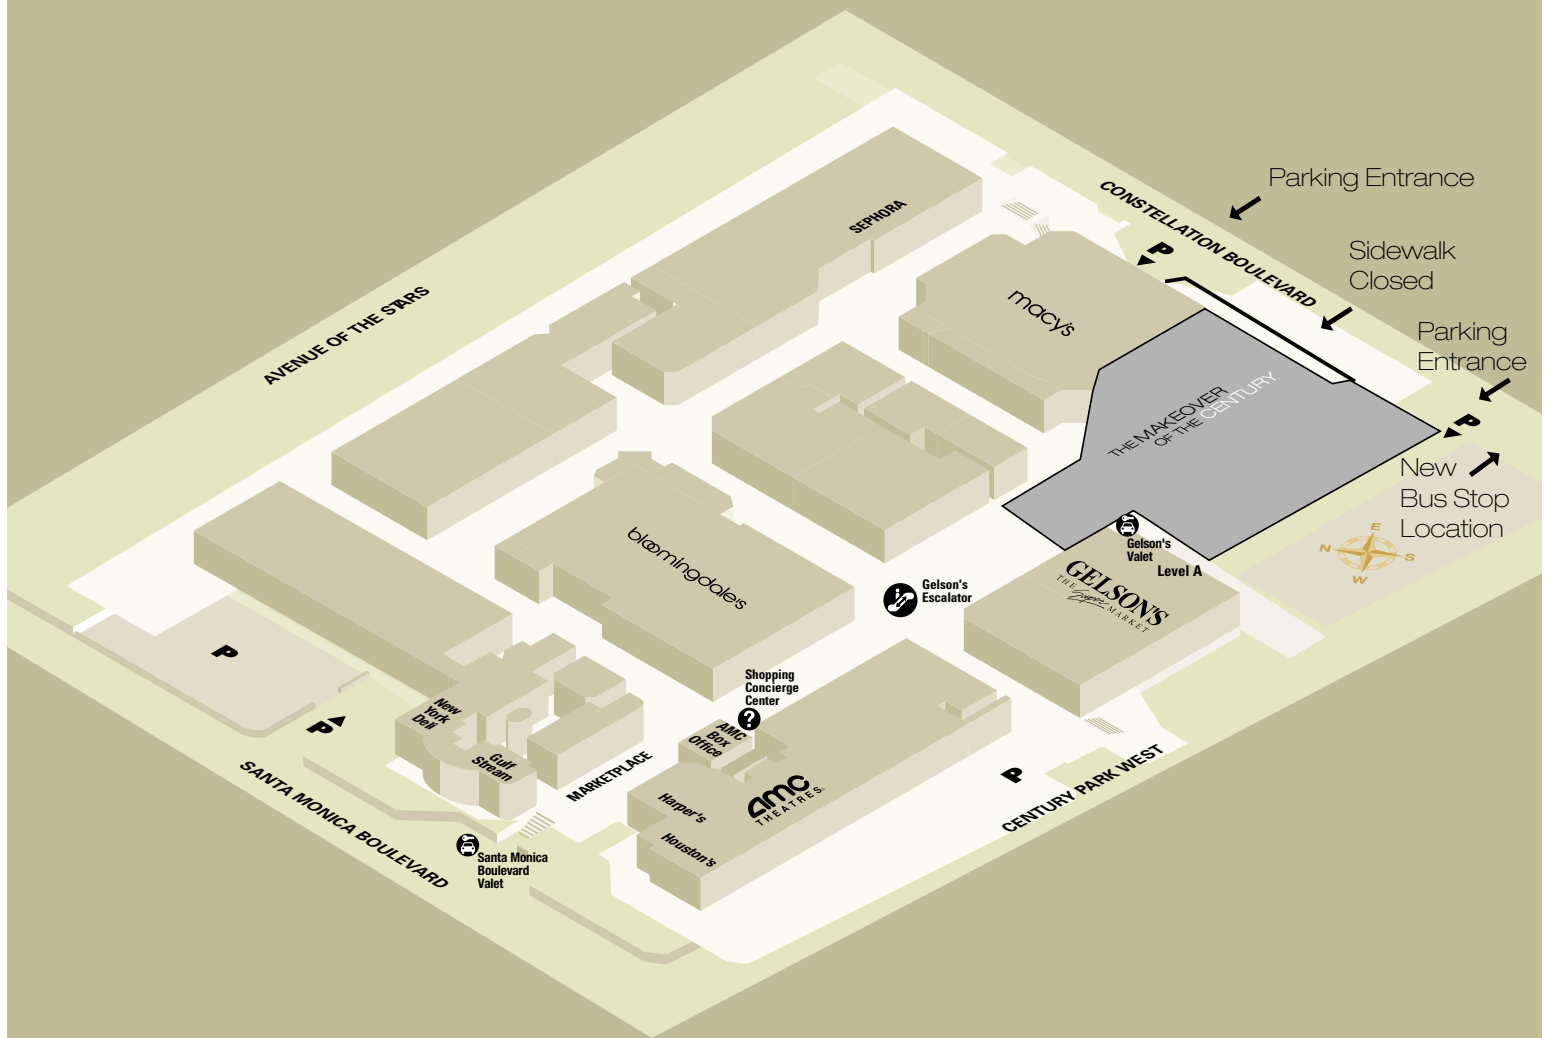

For any questions or comments, please feel free to contact Paul Kurzawa, General Manager or Najla Tabbah, Marketing Director at (310) 553-5300. We appreciate your patience and look forward to enhancing your shopping experience. Thank you for shopping at Westfield Shoppingtown Century City.
